The \$1 million project is being guided by RPI Group LLC and construction by Westmark Construction Company.

“Foster Marketing has a long history in Lafayette and in the oil and gas industry. It’s an exciting time for the energy sector and for us,” said George Foster, president and CEO. “Building a new facility will allow us to expand our operation both now and in the future and better serve our clients.”

Foster Marketing was started in 1980 in downtown Lafayette across from Don’s Seafood & Steakhouse. In 1995, the company moved to its current location on Pinhook in the JP Oil building.

Foster Marketing’s Lafayette staff expects to move into its new location at 3909-F Ambassador Caffery Parkway at the end of the year.

Foster Marketing Communications is a 28-year-old business-to-business marketing, advertising and public relations firm. The firm serves clients internationally in the oil and gas industry from offices in Lafayette, La., and Houston.
