LAFAYETTE (Dec. 20) – Foster Marketing Communications recently held its December quarterly meeting in Lafayette to review a record year in 2007 and plan for 2008.

“We’ve been in business more than 27 years, and 2007 was a record year as we doubled our sales and revenue,” said Foster Marketing President and CEO, George Foster. “We couldn’t have done it without a great staff in our Louisiana and Texas offices and without great clients, some of whom have been with us since our inception in the early ‘80s.”

Foster Marketing Communications is a business-to-business marketing, advertising and public relations firm with capitalized billing of more than \$11.5 million. The firm serves clients internationally in the oil and gas industry from offices in Lafayette, La., and a newly expanded Texas office in Houston.

Also, during the two-day meeting there were employee presentations on strengthening the individual and the organization. Foster Marketing also hosted its annual Christmas dinner for employees and their family members.
